Tommy takes initiative and is an excellent problem solver. The maintenance department has started the season short staffed and Tommy has worked almost every day to make up for the lack of personnel. John McMullan describes Tommy as "being a blessing and having one of the best attitudes." Thank you, Tommy!

**Chandler Stowe** is one of our amazing bartenders at the Club. She always comes up with delicious craft cocktails that our members love. Chandler takes initiative, works very hard, and loves her regulars! We are lucky to have Chandler on our team.

## The Georgia Club Realty Sells The Georgia Club!

### Update on the market and selling your home!

Our industry is experiencing drastic increases in pricing these days. There are some real estate companies that are suggesting that they can purchase your home without the showings and without putting the home on the market. As a Real estate professional who are Onsite every day for The Georgia Club, no one knows the market in The Georgia Club better, can get you top dollar, & sell your home quicker than The Georgia Club Realty. We are the first contact for buyers and other Realtors who want to find a home in the Georgia Club. We also know the market and future development plans for The Georgia Club intimately. Our homes are not only advertised on The Georgia Club official website, we have three multiple listing services that we subscribe to and two local Board of Realtors and we are onsite every day! We have limited inventory on new homes and buyers and agents are always asking about resales. We will work to get you the highest price, with the least amount of stress possible if you choose us to sell your home! Call 404-402-2516 (Beverly) or (Jennifer) 678-828-1220 today if you need to sell your home!
