Associates of the Month

Carson Peirce works as a food runner and locker room attendant at the Club. He is always willing to help out and go the extra mile. Carson is always happy to assist any associate, even those who aren't in his department. He is extremely friendly and outgoing. Outside of work, you can find Carson furthering his entrepreneurial endeavors such as selling hats, working on his family's chicken farm, at school, and somehow still making time to be social!

Olga Saucedo has been with us for almost two years. Olga takes care of the salads and dessert during the busy nights here at the club. She also bakes our dinner bread and helps out in any way she possibly can. We love Olga for her great smile and eagerness to learn day in and

day out. Olga will be learning the 'other side of the kitchen' in the upcoming months learning to cook dinner entrées. She is a great addition to our awesome team! Olga is a great cook we look forward to when she cooks for us.

Jaime Garcia has been with the Georgia Club for almost two years. Jaime is an unsung hero of the kitchen he keeps our

dishes sparkling and pots and pans revolving back to the stoves. Recently Jaime kept up the kitchen while we

honored another associate's vacation time. When the going gets tough Jaime gets tougher his position is the one in the kitchen all the F&B crew depends on to keep this operation rolling We appreciate Jaime more than he knows and this is one way we can recognize how great of a teammate he is.
